

SANTEC GROUP

AN ISO 9001-2008 CERTIFIED COMPANY.

Company Profile

Business Type	Exporters & Manufacturers of Hydraulic Cylinders , Presses & other machinery
Capital in Dollars	U.S. \$ 35,00,000
Export Percentage	70%
Import Percentage	10%
Primary Competitive Advantages	Best quality and services at best prices, efficient and dedicated work force
Sales Volume	U.S. \$ 50,00,000
Import Value	U.S. \$ 1,80,000
No of Staff	156
Year of Establishment	1999
No of Production Lines	3 (2 units in Mundka , Delhi & other in IMT Manesar
Export Markets	Gulf countries, Africa, Asia, U.S.A., Columbia, Chille, Mexico , etc.... total 35 countries across the globe
Import Markets	Korea, Taiwan, China
Investment on Manufacturing Equipment	U.S. \$ 2,20,000
OEM Service Provided	Yes
No of Engineers	30
Memberships	CII (Council of Institutional Investors), AIRIA (All India Rubber Industries Association), EEPC (Engineering Export Promotion Council)
Product Range	• All kinds of scrap balers for both metallic and non metallic scrap i.e. turnings, plastic, carton boxes, paper, etc. • Hydraulic presses i.e. deep drawing, bending, shearing, punching, blanking, pressing, moulding, etc. • All Kind of hydraulic Cylinders & jacks as per customer's applications & requirements . • Hydraulic Powerpack units . • Hydraulic Straightening Presses • Hydraulic Shearing Machines & Press Brakes • Compression moulding presses • Transfer moulding presses • SMC/DMC/FRP moulding presses • Melamine/Composite materials moulding presses • Rubber machinery i.e. dispersion kneader, rubber mixing mills, extruders, calander M/C, etc. • Swaging Machines, etc.
